

mission

To complete upgrades to Kids Castle playground necessary to create a fully inclusive play area for children of all abilities. Furthermore, it is our goal to give children with diverse abilities the opportunity to feel a sense of belonging while engaging in the fun at Kids Castle, ultimately allowing them to grow in self-confidence. The end result is a playground that creates new opportunities for interaction and the chance to play together as one.

we value your support

Your participation in this event will ensure a new play environment at Kids Castle that welcomes everyone, including children with sensory processing disorders and those using wheelchairs and other mobility devices. Proceeds from this event go directly to making inclusive play and physical accessibility on our Kids Castle playground a reality.

So all children can play together.
